+91 8073249537 | Kotekar, Manglore -575022

PROFESSIONAL SUMMARY

Oriented and motivated engineering graduate with a solid foundation in CSE, with a strong focus on algorithm, programming and engineering technology committed to continuous learning and driven curiosity.

EDUCATION

B.E in Computer Science and Engineering, P.A College of Engineering, Manglore(2022-2026)

XII | Kanachur PU College for Women, Manglore(2020-2022)

X | Markazul Hidayat Institution ,Manglore(2019-2020)

PROJECTS

- **Campus Assistant Web Application**

Developed a responsive campus assistant platform using React.js and Firebase, featuring role-based dashboards, campus navigation, real-time notifications, and a Lost & Found system to enhance accessibility and campus engagement.

Key skills: React.js, Firebase Authentication, Express.js, responsive UI design, web application development.

- **Automatic water dispenser**

Developed an automatic water dispenser using Arduino Uno with sensor integration and actuator control, improving efficiency and hygiene through hands-free operation.

Key skills: Arduino programming, sensor integration, circuit design, embedded systems, hardware assembly.

- **Biodiversity-tracker** : An Interactive Platform for Real-Time Biodiversity Monitoring and Data Collection

Created a web app to track and document species data, with interactive maps, data visualization, and user authentication for streamlined biodiversity logging.

Key skills: HTML, CSS, Javascript, Node.js, MongoDB

SKILLS

Technical skills: HTML,CSS, C ,Python, SQL.

Soft skill: Problem-solving, Communication, Team Collaboration.

Tools/software skill: Microsoft PowerPoint, TeXmaker, VS Code, Power Apps, Kali Linux.

INTERNSHIP EXPERIENCE

Cybersecurity Intern – EYE Q Dotnet

- Gained hands-on experience in basic cybersecurity practices and threat analysis
 - Assisted in identifying potential vulnerabilities and implementing security measures
 - Learned tools and techniques for securing web applications and networks
-

CERTIFICATIONS

CS50: Introduction to computer science and engineering

Data structure in C

Infosys springboard: Cloud computing

GDSC: Gen AI

INTERESTS & LANGUAGES

Interests: Art works, cooking, Reading books.

Language: English(fluent), Kannada(conversational), Hindi(Basic).
